Dear Motty,

Thank you so much for moving us from New Jersey to Yerushalayim.
Your staff was very friendly as well as very efficient. All in all, an
experience we were dreading was made pleasant by your company. Our
furniture and belongings arrived in a timely fashion, safe and sound. You
certainly made this portion of our transition to Israel go smoothly and
uneventfully. We surely will recommend you to anyone making Aliya.
Keep up the good work of bringing new olim to Israel.

Happy Chanuka to you and your family.

Kol Tuv,

Steve & Evvi Heller
